

Common Cents

Unit Plan Overview

Day 1

Diagnostic Assessment

Day 2

Lesson Plan

Penny Pinchers

This is an entertaining kindergarten lesson on money. Students are introduced to the penny and a classroom "toy store."

Day 3

Lesson Plan

Dynamite Dimes

This is a fun and entertaining lesson on dimes called Dynamite Dimes. Students have the opportunity to explore dimes in a game format. Students learn through teacher instruction, hands-on experiences, and group activities and games. (This is the second lesson in the unit, Common Cents).

Day 4

Lesson Plan

Give Me Five

Give Me Five is the third lesson in the unit, *Common Cents*. It is an interesting lesson on nickels. Students learn money concepts through entertaining games, teacher instruction, hands-on activities, role-play and partner work. (This is the second lesson in the unit, *Common Cents*)

Day 5

Lesson Plan

Money Matters

Money Matters is the fourth lesson in the unit, *Common Cents*. In this lesson, students practice adding, exchanging and comparing coins through games, hands-on activities and role-play.

Day 6

Lesson Plan

A Trip to the Toy Store

This is the fifth lesson in the unit, *Common Cents*. This is a fun, entertaining lesson where students are given the opportunity to practice skills they have learned during the week about money, and spend money saved on a toy of their choice.

Day 7

Assessment

Summative Assessment
