Scientific Who's Who?
Research Project

You will choose a scientist from <u>one</u> time period OR <u>one</u> culture using the following lists and write a report to address the following research prompts.

Time-periods:
600 B.C. - 300 B.C.
301 B.C. - 0
0 - 300 A.D.
301 A.D. - 600 A.D.
601 A.D. - 900 A.D.
901 A.D. - 1200 A.D.
1201 A.D. - 1500 A.D.
1501 A.D. - 1800 A.D.
1801 A.D. - 2000 A.D.

Cultures:
African
American
Australian
Chinese
Egyptian
English
French
German
Greek
Indian
Irish
Italian
Japanese
Norwegian
Polish
Roman
Russian
Scottish
Spanish
Swedish

Your research must address the following about the scientist and his or her work:

Name of scientist
Year and place of Birth
Family History
Educational History
Career History
Discussion of Technological and/or Scientific Contributions to Society
Discussion of the Effect of these Contributions on Society
Conclusion

Date: _____   Rubric
Class Period: _____

Scientist: _____

	4	3	2	1	
Data Collection	A comprehensive set of data is collected and presented in a high quality manner.	Data is collected as described in the project design worksheet.	Data is incomplete.	Little or no data.	_____
Conclusions Reached	Numerous detailed conclusions are reached from the evidence offered.	Several detailed conclusions are reached from the evidence offered.	Some detailed conclusions are reached from the evidence offered.	A conclusion is made from the evidence offered.	_____
Summary	Well - organized and demonstrates logical sequencing.	Well- organized, but demonstrates illogical sequencing.	Weakly organized and demonstrates illogical sequencing.	Not organized and demonstrates illogical sequencing.	_____
Use of computers for word processing.	Very high quality document which appeals to the reader.	Quality document with appropriate labels.	Low quality document containing errors.	Poor quality document.	_____
Responsible use of Internet.	Meaningful information acquired from multiple sources.	Appropriate search words were used and time was managed efficiently.	Search had limited success due to poor search word choice.	Little or no meaningful information was collected.	_____
				Total:	_____
