The Wish

By Ann Friday

Each birthday wish
I've ever made
Really does come true.
Each year I wish
I'll grow some more
And every year
I DO!

Today

by John Archambault

Glory may
I like today.
Today, today
I like today.
No other day's
quite like today,
Not tomorrow
or yesterday.
I like today
In every way.
Today, today,
Today,
My birthday!

The Birthday Cake

Author Unknown

Today is my birthday.
I think I'll make a cake.
Mix and stir, stir and mix,
Then into the oven to bake.

Here's the cake so nice and round,
I'll put icing on so white.
I'll put on all the candles
to make my birthday bright!

Happy birthday to me!
