## Sorting and Graphing Buttons

| Draw the buttons.                     | How did you sort them? | How many are alike? |
|---------------------------------------|------------------------|---------------------|
|                                       |                        |                     |
|                                       |                        |                     |
|                                       |                        |                     |
| How many buttons could not be sorted: |                        |                     |
| Total buttons:                        |                        |                     |
