

## **Baseball**

On the field  
With my team  
Inside the batter's box  
Near homeplate  
I hit the ball.  
In the air it flies  
Past the pitcher  
Into the outfield  
Over the fence  
Homerun!

## **Just Around the Corner**

Through the door  
Across the yard  
Around the mailbox  
Underneath the sun  
Past the giant dog  
Down the bumpy road  
Past the cop car  
Until you see a house  
With Christmas lights.  
Up the driveway  
To the house  
I knock  
On the door  
Of my very best friend!

## **The Fast Break**

Down the court I ran  
Dribbling the ball  
Around the players  
Through them all.  
Behind my back  
Between my legs  
Toward the goal  
Over their heads.  
Jumping high  
In the air  
Above the rim  
Down I came  
With seconds  
To go  
I slam it in  
We win!
